FDA Compliance status of Repour™ WineSaver

Dear Mr. Ros,

This letter is in regards to our Repour™ WineSaver, which complies with US FDA Article 21, in particular with application to food contact safety regulations, 21 CFR 170-199. Pursuant to FDA guidance, the overall regulatory status of a food contact material is dictated by the regulatory status of each individual substance that comprises the article.

<https://www.fda.gov/Food/IngredientsPackagingLabeling/PackagingFCS/RegulatoryStat usFoodContactMaterial/ucm120771.htm>

I certify that all materials used to construct our Repour™ WineSaver are FDA compliant as described by Article 21, and further that the Repour™ WineSaver is FDA compliant in its entirety.
